Low	The Committee will make members aware at the time.	
------------------------------------	--------------------------------	--	-----	--	--

For the purpose of this risk assessment, the following definitions shall be used:

Hazard: The potential for harm or injury arising from an activity including the use of tools or methods needed to carry out that activity

Risk: The likelihood of harm or injury occurring due to that hazard

***RISK LEVEL**

Low: Can be performed unsupervised following basic training

Medium: Can be performed with supervision following training

High: Must be qualified and trained; special supervision arrangements must be made

Very High: Requires specialist expertise, do not proceed with activity
